

## **Rosmahani Mohd Ali**

**Consultant Geriatrician  
Hospital Kuala Lumpur  
Malaysia**

Born in Malacca and raised in Kuala Lumpur. Alumni of Convent Bukit Nanas and Sekolah Menengah Science Muar, where she was also the school pianist. She is an avid mystery book reader, and loves music. She graduated from The University of Auckland, New Zealand with Bachelor in Human Biology (2002) and Bachelor of Medicine & Surgery (2005) under JPA scholarship before returning to serve back in Malaysia. She further later pursued her Masters of Medicine in University of Malaya in 2015. As a general physician, she developed interest and passion in the complexity and elderly care which prompted her pursue Geriatric Fellowship under the Ministry of Health Malaysia.
