

Azmer Azali

**Occupational Therapist
Hospital Kuala Lumpur
Malaysia**

My name is Azmer and I am an occupational therapist who works with elderly patients in various settings. I have been working in the geriatric department at Hospital Kuala Lumpur for the past year, where I provide acute care and treatment for older adults with complex medical and social needs in acute geriatric ward. I also used to work at Hospital Seremban, where I run a memory clinic and a daycare program for geriatric patients with cognitive impairment and dementia. Beyond office hour, I do home hazard assessment for carer and elderly together with prestige vendor to expand service and knowledge to outside as well. I am passionate about improving the quality of life and well-being of my patients and their families, as well by done home visit pre and post discharge to ensure their QOL after discharge from hospital. I have a diploma in occupational therapy from ILKMM at Sungai Buloh.
