

Rizah Mazzuin Razali

**Consultant Geriatrician
Hospital Kuala Lumpur
Malaysia**

Dr. Rizah Mazzuin Razali received her initial training as a Geriatrician in 2011. She is currently a Consultant Geriatrician and the Head of Geriatric Unit of Kuala Lumpur Hospital as well as the Head of Geriatric Rehabilitation Unit of Cheras Rehabilitation Hospital. Apart from the clinical duties, Dr. Rizah is involved in many training activities for doctors and the allied health members to aid the development of Geriatric services in the country. She is involved in the training of the clinical specialists undergoing the National Geriatric Medicine Fellowship Program, guest lecturer at the Sunway University for the Post Graduate Diploma in Primary Care for Elderly program as well as Advanced Diploma of Gerontology Nursing (MoH). Dr. Rizah is currently actively involved in expansion of geriatric services in the community via collaboration with the primary health clinics to provide an integrated and seamless geriatric care for the older population.
