

Wong Chek Hooi

**Adjunct Assistant Professor
Duke-NUS Medical School
Singapore**

Wong Chek Hooi is an adjunct Assistant Professor at the Signature Programme in Health Services and Systems Research, Duke-NUS. He is particularly interested in strengthening the health system's ability to respond to the healthcare needs of an ageing population. He is involved in health policy analysis and formulation at the Singapore Ministry of Health. He also worked with the Department of Health Systems Financing at the World Health Organization on quality and performance measures for provider payment systems. Currently, he is consulting for the Department of Aging and Life course at the World Health Organization.
