

Lim Wei Juan

**Clinical Cardiologist
Institut Jantung Negara
Malaysia**

Dr. Lim Wei Juan is a highly accomplished physician, whose dedication to the medical profession has earned him a great deal of respect and admiration from his peers and patients alike. After completing his undergraduate degree in 2012, Dr. Lim continued to pursue his medical education and training, earning his MRCP (Membership of the Royal Colleges of Physicians) in 2016. Dr. Lim subsequently attained the esteemed FRCPE (Fellowship of the Royal College of Physicians of Edinburgh) in 2022, further solidifying their expertise and dedication to advancing medical science. Dr. Lim is also a valued member of renowned organizations such as the European Society of Cardiology (ESC), the American College of Cardiology (ACC), and the National Heart Association of Malaysia (NHAM). Beyond academic achievements, Dr. Lim's contributions extend to the realm of research and publications in high impact journals such as European Heart Journal (EHJ) and Journal of the American College of Cardiology (JACC). Currently he is a clinical cardiologist at Institut Jantung Negara with special interest in interventional cardiology.
