

Premala Subramaniam

**Consultant Geriatrician
Hospital Raja Permaisuri Bainun
Malaysia**

Dr Premala Subramaniam, a Consultant Geriatrician based in Hospital Raja Permaisuri Bainun. As a physician, her interests and passions in geriatrics bloomed when she was involved in care of older persons in Geriatric ward, Selayang. Upon completion of her sub-specialty training, she started her service in 2018 until 2021 at Hospital Queen Elizabeth and been exposed to both urban and rural geriatric community. Since then, she is involved with dementia care, falls services and inpatient geriatric care. Her approach to geriatric issues is by principles of persons centered care and respecting what matters most to the older person while maintaining their dignity and autonomy throughout the rest of their journey.
