

Aima Nabila binti Abdul Basid

**Pharmacist
Hospital Kuala Lumpur
Malaysia**

Meet Ms. Aima Nabila binti Abdul Basid, a devoted pharmacist who has made significant contributions to patient safety and falls prevention at Hospital Kuala Lumpur. Recognizing the importance of falls prevention in a hospital, Aima joined the Falls Intervention Team in 2018 to make a difference. She has been a key figure in providing training on medication-related topics such as identifying fall-risk increasing drugs to healthcare personnel both within and outside the hospital. Her expertise extends to reviewing inpatient fall cases, identifying medication-related falls, and recommending necessary pharmaceutical modifications and preventive measures. The Fall Intervention Team's dedication to improving patient care and safety has had a positive impact on the hospital's approach to falls prevention, ensuring a safer environment for all.
