

SCIENTIFIC WELLNESS FOR YOU

STAY ACTIVE

Replenish energy levels with
CoQ10 Ubiquinol.

THE ACTIVE FORM of CoQ10 that is
ready for immediate use by the body.

Are you 30 years and above?

Are you on statin medication?

Often feeling lethargic and lacking of energy?

Studies show that both age and statin are major contributors for CoQ10 depletion which leads to fatigue and low energy.

Kaneka Ubiquinol is a brand name for Ubiquinol.
Kaneka Ubiquinol is a registered trademark of Kaneka Corporation, Japan Corporation, Japan.
